

INTERIOR 'FACE LIFT' FOR YOUR PROPERTY

Celebrated award-winning design duo, Gail Taylor and Karen Howes of Taylor Howes have come up with the fantastic and affordable concept of stylish 'Out of the Box' furnishing packs to refresh and reinvigorate your property.

'th:2' was developed by Taylor Howes to provide 'classic contemporary interiors solutions' born out of their extensive experience in creating stunning homes within affordable budgets.

This season sees them showcasing the exciting Diffusion Range of carefully selected furniture and furnishings, which include the latest trends from London, Paris and Milan. Their streamlined design process ensures that the team delivers on time and on budget.

If you are a private client, a developer or a landlord wishing to 'dress up' your apartment, showhome or your actual home, then check out the different price bracket offers on their website. Prices start from £6,000.
